PRODUCING TOMORROWS CHAMPIONS

ABOUT STALLION STATION

Stallion Station based at Toolern Vale 25 minutes from the Tullamarine Airport Melbourne and Canterbury near Christchurch, is an independent stallion semen collection centre.

We offer breeders the best available stallions over a wide range of bloodlines, priced to suit any budget.

Stallion Station has a strong quality focus and concentrates wholly on stallion care. Technically advanced semen collection, storage, handling and distribution are our total aim.

Stallion Station is an approved and accredited AQIS and NZMAF collection centre supplying semen to the total Australasian market.

To ensure you the broodmare owners get the required attention ring us today and our expert sales representatives will attend to your needs. Breeding advice and test mating pedigrees are available for your mares and our stallions.

Stallion Station offers multiple booking discounts for mares under common ownership in Australia and New Zealand.
